

HOME LEARNING

Reception

WEEK 7

THEME: IN THE GARDEN

Date: 19.05.2020

MATHS

Today we are going to move on to look at 3D shapes. Here is a song to help you remember the 3D shapes and some of their properties: [3D shape song](#)

Once you have listened to the song I would like you to go and have a look around the house for some objects which are 3D shapes such as a ball, a building brick, a dice, a gluestick. Once you have collected these objects find an empty bag, place the objects into the bag and then put your hand in and choose one. Describe this shape to an adult. See if you can identify how many faces it has and what shape those faces are. For example, a cylinder glue stick would have one curved face and two circle faces on each end. Once you have described the shaped to someone else maybe let them have a go at describing the shapes to you. Then try this activity : [Guess the shape quiz](#)

LITERACY, COMMUNICATION AND LANGUAGE

Reading: Just a reminder to make sure you are reading regularly with an adult, if you register and log into Oxford Owl there are ebooks that you can use on there. Here's the link: [Oxford Owl EBooks](#)

Today I would like you to practise your reading and blending. Here is a link to a phonics game where you must read as many words as you can in 90 seconds. Parents most children should be able to do the Phase 2 CVC word selection, if you find this is too easy then have a go at Phase 3.

[Blending Game](#)

PHYSICAL ACTIVITY- Choose one

[Joe Wicks Work Out](#)

9am The Body Coach on You Tube or use an uploaded video

Here's another one of our favourite songs in class for you to dance around to: [Shake Your Sillies Out](#)

THEMED LEARNING

Today we are going to try some crayon rubbing (if you do not have crayons then you could use pencils or chalks) Take some paper and see how many textures you can make from objects around the house and garden. Once you have a few of them you could cut them out in different shapes to make pictures. Talk to an adult about which one is your favourite and why.

INDEPENDENCE SKILL

This week I would like you to concentrate on making sure you are tidying up after yourself. In school you know that everyone in class is responsible for a certain area of the class and for keeping it clean and tidy. Maybe this week you could make sure you are keeping your bedroom tidy or you may just make sure that after you have used or played with something you put it away straight away.
