

HOME LEARNING

Reception

WEEK 6

THEME: IN THE GARDEN

Date: 15.05.2020

MATHS

For a warm up today, I would like you to count up to 10 and then start at 10 and count backwards to 0.

Fantastic !

OK, yesterday we started to look at sharing a number of objects between 3, 4 and 5 teddies.

Did you make sure it was fair shares?

Today I have another programme for you to watch on fair sharing and then I would like you to complete the worksheet below.

[Fair shares](#)

LITERACY

Let's have a phonic warm up. **Parents, choose the best one for your child. If Sound Set 1 is too easy, have a go at Sound Set 2.**

[Sound Set 1](#)

[Sound Set 2](#)

Now let's practise your blending skills. **Parents, have a go at some of the activities mentioned yesterday in the clips provided. I've put the links below.**

[aural blending-For parents](#)

[Blending for reading-For parents](#)

If your child is a confident blender, get them to choose a Ditty page from the selection below.

[Ditties](#)

Challenge: Have a go at spelling the words below. Don't forget to use your phonic skills.

THEMED LEARNING

Yesterday you made some music to sound like the movements of mini beasts. Today I have a **Creepy Crawly Calypso** to show you. **Calypso** music comes from the **Caribbean**. Get your parents to show you on a map or a globe where in the world the **Caribbean** is. Today I would like you to make an instrument from recycled materials so that you can play along. Make your instrument really colourful.

You could make simple shakers, using cardboard boxes. Take them apart carefully. Decorate the plain side and stick them back together. If you make a couple, fill them with different things. You could use rice, pasta, dried beans, sand, dirt or stones. **Do they sound different?**

Here are a few other ideas.

If your recycling has been collected recently, you could wait until your recycling builds up and then have a go. Ask your parents to take pictures of you playing your instrument.

PHYSICAL ACTIVITY/INDEPENDENCE SKILL-Choose one

Parents, one of skills the children need to accomplish in Reception is to listen to a story without pictures or props. These clips below are PE lessons and the children have to listen to the instructions without any visual prompts.

Children, you had a go at one of these yesterday. Choose another one today and show your adult what good listening you have.

Fair Shares

Have a look at the pictures below. If it is fair sharing give the picture a tick.
