

HOME LEARNING

Reception

WEEK 11

THEME: ANIMALS

Date: 23.06.2020

MATHS

To get started today I would like you to have a look at the numbers below, some are missing, can you identify which ones?

1 2 4 5 6 8 9 10 11 12 14 15 16 18 19 20

We are going to continue to look at positional language today. Firstly I would like you to watch this song which describes the position of a cheeky monkey [Where's the monkey?](#)

Choose one of the places the monkey was hiding and draw your favourite part of the song. When you have done that I would like you to choose a cuddly toy animal. Can you hide the animal in different places around your house and then describe to someone else where the animal is e.g. on the chair, under the table. Try to find at least six different hiding places for your animal. Remember to speak in full sentences *"The dog is under the table"*.

LITERACY, COMMUNICATION AND LANGUAGE

Reading: Just a reminder to make sure you are reading regularly with an adult, if you register and log into Oxford Owl there are ebooks that you can use on there. Here's the link: [Oxford Owl EBooks](#)

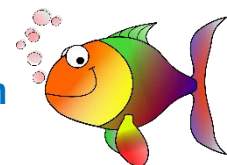

Have a think back to the story we started learning about last week – Dear Zoo. If you need to, have another read or watch the clip on YouTube. Once you have refreshed your memory I would like you to read the clues below (with the help of an adult if needed). Once you have read the set of clues I would like you to write and draw which animal from the story the clues are describing.

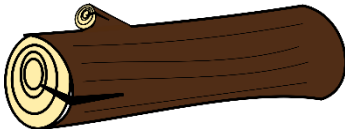

Animal 1

- The first sound in my name is the same as the first sound in
- My name rhymes with 
- What am I?

Animal 2

- The first sound in my name is the as the first sound in 
- My name rhymes with
- What am I?

Animal 3

- The first sound in my name is the same as first sound in
- My name rhymes with this animal
- I like to eat these
- What am I?

PHYSICAL ACTIVITY- Choose one

Joe Wick's Work Out

9am The Body Coach on You Tube or use an uploaded video

Cosmic Kids Yoga - Flamingo

THEMED LEARNING

Today, we are going to make some paper plate animal masks. For this activity you need some paper plates, paints and either some felt pens or googly eyes. Choose your favourite wild animal and think about its colours or special features. For example, if I was to create a tiger mask I would need to make sure I did some orange and black stripes, whiskers and pointy ears. Here are some examples to help you:

If you would like to turn the animal into a mask you could cut out the eyes instead of attaching googly eyes/drawing eyes on and you may also want to attach a lollipop stick or straw to the bottom so that you can hold it in front of your face.

INDEPENDENCE SKILL

This week I would like you to make sure you are brushing your teeth and washing your face independently.

Finish the Pattern

Look at each pattern. Finish the pattern by drawing the missing shapes.
