

HOME LEARNING

YEAR 6

WEEK 4

THEME: ANIMALS

Date: 30.04.2020

MATHS- Choose one

45 minutes

Have a go at some questions on the four operations. I'll post the answers tomorrow.

[Arithmetic practise](#) on Maths Frame.

1. Work out the missing number:

$$3210 + 2564 = 9836 - \underline{\quad}$$
$$2678 + \underline{\quad} = 9305 - 3789$$

2. Work out 3678×23

3. Work out $5834 \div 26$

4. Work out the missing number:

$$200 \times \underline{\quad} = 750 + \underline{\quad}$$

5. Jessica is rowing along the coast to Sunshine Cove. Each day she rows less because she gets more tired. On the first day she covers 38 kilometres, on the second day 35 kilometres, on the third day 32 kilometres and on the fourth day 29 kilometres. How many days will it take her to cover the distance of 203 kilometres to Sunshine Cove?

ENGLISH

Reading mins

20

We started reading Wonder before we left school. Can you remember what's happened so far? Write down what you can remember and tomorrow I'll put up a quick recap about what's happened so far.

Spelling mins

10

Go back to the 10 words you chose from the year 5/6 list and put them into sentences.

Writing

30 mins

Look at your plan and begin to write your story. Remember to look at your plan as you write.

PHYSICAL ACTIVITY- Choose one

30 minutes

11.30 Oti Mabuse Official on You Tube or use previous uploaded video

THEMED LEARNING

Where Animals Originate From - Locate on a world map where different animals originate from and research why they live in these environments. Things for them to consider when researching why they originally lived in these countries are:

- Food sources
- Climate
- Weather
- Terrain

Remember the big map in our classroom had lots of animal's locations on. Try and remember some. Present your findings as a poster or in a PowerPoint presentation.

TEAM PLAYER SKILL

Help out with the washing in your house. Can you help fold some of the washing?

INDEPENDENCE SKILL

I can tie my laces in my shoes.
