

HOME LEARNING

YEAR 6

WEEK 6

THEME: FOOD

Date: Monday 11th May

MATHS

45 minutes

Fractions

There are a series of maths lessons that are about fractions this week. Have a look and see if you can remember how to do all of the things that are here. The fractions lessons started last week but I'll put a link to them for you for this week. Go to week 3 lesson 1.

[Fractions](#)

Division

Choose the one star, two star or three star challenge. Remember, you don't need to print them out; just have a try at working them out in your maths book.

ENGLISH

Reading

20 mins

Try the reading comprehension about VE Day. Choose one, two or three stars to challenge yourself.

Spelling

10 mins

Go to this week's spellings on the website. We're on week 3 this week. Write out all the spellings and make sure you know what they all mean.

Writing

30 mins

Your child can write a recipe to make a healthier option for making a pizza. Think about which ingredients they could switch so that this delicious treat is better for them. Test the recipe out! Only test the recipe of you have the ingredients. Don't make a special trip to the shops.

PHYSICAL ACTIVITY- Choose one

30 minutes

11.30 Oti Mabuse Official on You Tube or use previous uploaded video

THEMED LEARNING

Which Foods Contain the Most Sugar? Your child must choose a selection of food items from the food cupboard, fridge and freezer. They will then identify the nutritional label and record the amount of sugar that each food contains. Once they have gathered the information, ask them to record the sugar contents on a bar chart and evaluate the data. How will their findings change what they eat?

You did something similar to this in science with foods Mrs Rees brought in for you. Now you can have a try with the foods that you have at home.

TEAM PLAYER SKILL

This week's theme is food. Can you help prepare a meal for your family?

INDEPENDENCE SKILL

I know my address including the post code.
