

HOME LEARNING

YEAR 6

WEEK 8

THEME: UNDER THE SEA

Date:

MATHS- Choose one

45 minutes

Choose today's task from the learning project. Challenge yourself to try and convert as many as you can. Can you do months? Days? Hours? Seconds?

AS a reminder with telling the time, try this game here. Now that we all have the times on our electrical devices finding out the time is easy. Check how well you can tell the time on a clock. There are lots of different levels to try and there's an option for 24 hour too. See how well you do.
