

# HOME LEARNING

YEAR 6

WEEK 8

THEME: UNDER THE SEA

Date:

MATHS

45 minutes

Try the Maths activity on the weekly learning sheet.

[Find the Start Time](#) is a game where you have to find the time that an event started. There are lots of different settings so you can make it the right challenge for you.

ENGLISH

Reading  
mins

20

Listen to and follow along to [The Mermaid's Lament](#) and answer these questions. Use a dictionary, online if you don't have one at home, and find the meaning of the word 'lament'.  
What has the mermaid had enough of?  
List three things that the mermaid wants to do.  
Find an example of alliteration.  
Find an example of a metaphor.  
Why do you think the mermaid wants to get out of the water?

Spelling  
mins

10

Try the spelling task on the weekly learning sheet and don't forget to keep learning your spellings for Friday.

Writing

30 mins

Try the writing task on the weekly learning sheet or you can try any of the activities here.  
[Catch Me if You Can](#)

11.30 Oti Mabuse Official on You Tube or use previous uploaded video

THEMED LEARNING

Try today's activities from the sheet.

TEAM PLAYER SKILL

I can help get things ready for dinner.

INDEPENDENCE SKILL

I have learned the phone number of the person I would phone in an emergency.

ANSWERS FOR WONDER

Via spends so much time explaining as it makes it clear to the reader just how much is wrong with Auggie.

He can eat, he can keep his tongue inside his mouth and he can stop the drool running down his neck.

The doctors didn't think he'd live

She can't keep up with his new expressions on his face which means she is having trouble working out how he is feeling.

They should let him grow up and stop protecting him so much. Via thinks that they shouldn't always do what Auggie wants.
