

COMPUTING

Impact

Who monitors this subject?

The computing subject leader alongside the SMT.

How is it monitored?

- In conjunction with SMT, monitor teaching and learning through school using a sample of children for pupil voice discussions and lesson visits.
- Monitor impact of approaches used in school.
- Write and implement an action plan for history based on the monitoring results which contributes to the School Development Plan.
- Keep up to date on teaching pedagogy and use this to inform planning and CPD for the subject

What do the children think?

"Computing helps you learn new things you don't know about; you learn how to find things out" Y1
"Learning online is helpful as you can use it to help you with homework and for home learning." Y1
"I really liked using animation in a story"- Y6
"I liked controlling how things move in coding"- Y6
