Spelling 10 mins

Get an adult to test you on this week's words.

Writing Choose one 30 mins

If you began the mini guide yesterday, spend today on how to organise this information. Imagine that it is for a child of your age and they want to know if the sport is for them. Can you add persuasive words to it or **rhetorical questions** to encourage them to participate in it? You can choose to present this using Word, Power point or Publisher (3 page leaflet is good for this) or write it down.

OR

Create a persuasive leaflet for any lockdown games you have played at home. The leaflet will have two purposes: persuading readers to play and informing them about how to play. Use persuasive language including modal verbs (e.g. will, should) and adverbs of possibility (certainly, probably). Remember to tell your reader what equipment, space and number of players are needed plus any rules.

Rhetorical questions – A rhetorical question is a figure of speech which comes in the form of a question that makes a point instead of seeking an answer. Rhetorical questions are often used in persuasive texts and often discuss well-known facts.

e.g Do you want to find a new sport?

Looking to try something new?

THEMED LEARNING- Choose one

45 minutes

The project this week aims to provide opportunities for your child to learn more about sports and games. Learning may focus on the history of sport, sporting-heroes, physical challenges and performance

Choose one of the learning projects for yourself on the Weekly project sheet. Scroll down the page 3 for these on that document.

TEAM PLAYER SKILL

I have made a drink for an adult. (Take care if you are using hot water and ask first).

INDEPENDENCE SKILL

I can fold and hang up my clean clothes.
