THEMED LEARNING- Choose one

45 minutes

The learning project this week aims to provide opportunities for your child to learn more about different viewpoints. Learning may focus on physical viewpoints in terms of what you can see outside of the window at home, personal viewpoints and those of others.

History

A Change in Viewpoints

Some people have influenced the future and have been great peacemakers of history.

Choose one of the following people and write a fact file about them.

How did their actions and views change opinions?

You can find more information about each of these people on Purple Mash.

Night Quest

To read:

Pushing themselves off the bank, the men glanced around them. The coast was clear.

The mountains rose around them like dragon's teeth, reminding them of the danger facing them. Their quest was of vital importance, but success was extremely unlikely. Saying a silent prayer to the gods of the lake, they snuffed out their lights and drifted off across the tranquil water.

The mission lay on the edge of a knife: one small mistake would be fatal...

Write your answers:

Do you think these people are escaping something or leaving to find something?

If the sky had feelings, what would they be?

If the sky, water and mountains could speak, what would they say to each other? Write this as a conversation with correct punctuation.

What creatures live in the water? Describe them.

Would you like to live here? If you did, how would your life be different?
