

HOME LEARNING

KS1

WEEK 12

**THEME:
SEASIDE**

Date: 2.7.2020

MATHS- Fractions

45 minutes

Warm up- Lets practise some mental maths, remember you should be able to do these in your head without using any equipment to help you.

$3 + 5 =$ $7 + 9 =$ $3 + 7 =$ $2 + 2 + 3 =$ $7 + 8 =$ $9 + 6 =$

OR

$13 + 12 =$ $7 \times 5 =$ $18 \div 2 =$ $15 + 13 + 2 =$ $17 - 9 =$ $26 - 12 - 3 =$

Remind yourself about fractions by visiting BBC Bitesize – What are fractions? Complete the activity and answer the questions.

Today you are going to be finding halves and quarters of numbers.

To begin with you can use objects to help you and then move on to drawing 2 or 4 circles and sharing the number out equally by drawing dots.

If you are finding half draw 2 circles and share the number out equally, then choose one group and count how many dots are inside that group. If you are finding a quarter draw 4 circles and share the number out equally, then choose one group and count how many dots are inside that group.

Complete these...

$\frac{1}{2}$ of 8 $\frac{1}{2}$ of 12 $\frac{1}{2}$ of 18 $\frac{1}{2}$ of 14 $\frac{1}{2}$ of 16 $\frac{1}{2}$ of 20 $\frac{1}{2}$ of 24

Test yourself using Topmarks ‘halves hit the button’ interactive game.

Can you solve these halves word problems?

If Tom has 18 cakes and he eats half. How many are left?

If Greg has some pencils, half of them are 6 red pencils. How many does he have altogether?

Sarah has 30 toy cars and she donates half to charity, how many has she got left?

If half of a piece of string is 7cms, how long is the whole piece of string?

Using the number 16 and 8, can you write your own word problem?

If $\frac{1}{2}$ of a tree height is 8cms, what is the height of $\frac{2}{4}$ of the tree?

ENGLISH

Reading

20 mins

Read the attached pdf ‘Sun, sea and beach safety’ comprehension. There are three different levels, choose the one most appropriate for your child.

When you have read the comprehension answer the questions that follow.

Then create a beach safety poster including some of the information that you have read.

Phonics

10 mins

Today’s sound is **a-e**.

Practise reading these words:
cake, make, date,
hate, fake,
mistake.

Practise reading these alien words:
gake, shazer,
tapex, vade,
snage, kape.

Visit the website Phonics Play, play ‘Dragons Den’ select a-e sounds.

Writing

30 mins

Re-read/watch on You Tube the story ‘Winnie and Wilbur at the Seaside.’

Look on pages 3 and 4 of the very crowded beach.

Write sentences to describe different things that you can see on this page.

Include, capital letters, full stops, exclamation marks, adjectives, adverbs and nouns.

For example:

There is a vicious, orange crab nipping angrily at a man’s toe.

Aim to write five sentences- don’t forget to concentrate on your handwriting too!

	<p>Grammar 10 mins Homophones. Remember a homophone is a word that has the same pronunciation but different meanings and/or spelling. Have a go at the attached pdf 'Homophones 1.'</p>	
--	---	--

Spellings 10 mins

Year 1 – dolphin, alphabet, phonics, elephant, when, where, which, wheel, while, was
Year 2 – fall, price, funny, simply, bravely, baking, charge, splodge, fridge, adjust
Find someone at home to play hangman with you using your spellings and your common exception words.

PHYSICAL ACTIVITY- Choose one

30 minutes

<p>Joe Wicks Work Out 9am The Body Coach on You Tube or use a uploaded video</p>	<p>Oti Mabuse Dance 11.30 Oti Mabuse Official on You Tube or use previous uploaded video</p>	<p>Jack Hartman Cowboy Count https://www.youtube.com/watch?v=3txltaYkTyE</p>
