Start with this video <https://www.youtube.com/watch?v=D3b-kcK3Eg8>

Get your child to identify one less than a given number

18
22
29

If your child is finding this difficult physically sow the jumps on the 100 square. If your child is confident with this, challenge them further with larger numbers. You could ask what is 2 less and discuss the 2 times table.

This Numberblocks clip is a good way to consolidate their learning <https://www.youtube.com/watch?v=c7ObfFU6s-o>

THEMED LEARNING- Celebrations

Months: Can your child name the months in order? What do they notice about them? (Look at the letters at the beginning of the month.) Can they think of a celebration for each month they may have with their family? Find out when it's people's birthdays or anniversaries. Which month has the most celebrations?
