

HOME LEARNING

YEAR 1

WEEK 4

**THEME:
ANIMALS**

Date: 29.04.20

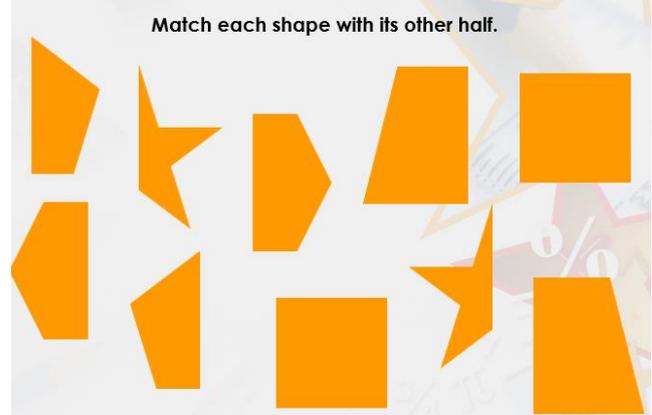

MATHS- Finding halves and quarters

45 minutes

Today we are going to check we understand halves of objects. Please get your child to explain why the objects match and how they know it is half.

If there are any, they are stuck on please explore the object further with them.

You may want to draw half of the shape and get them to finish the other half.

ENGLISH

<p>Reading 20 mins https://www.phonicsplay.co.uk/DragonsDen.html Please visit phonics play and revisit all set five sounds with your child. Get your child to Fred Talk the word and identify if it is a real word or alien word. If your child finds a sound difficult you may want to take some time to recap that sound with your child</p>	<p>Grammar 10 mins Superlative Adjectives</p> <p>Please write a sentence with each <i>superlative adjective</i>.</p> <ol style="list-style-type: none"> 1) Quickest 2) Dullest 3) Oddest 	<p>Writing 30 mins</p> <p>We have now looked at two stories by Julia Donaldson. Today, we are going to compare the two stories using your summaries you have produced.</p> <p>Get your child to write simple sentences to identify who the characters were and what the setting is.</p> <p>Then, get your child to answer the following questions. Remember to encourage your child to use their phonics, checking they have used capital letters, full stops and clear finger spaces between their words.</p> <ol style="list-style-type: none"> 1) What were the books about? 2) What do you like about the books? 3) Were there any parts you did not like? <p>If your child finds writing difficult it is best to get them to tell you are their sentence first so you can support them to Fred Talk each word.</p>
