

HOME LEARNING

Reception

WEEK 9

THEME: ANIMALS

Date: 09.06.2020

MATHS

I would like you to play a game with a grown up or sibling, draw a grid with 4 spaces and write one number between 11 and 20 in each of the four boxes. I would then like you to choose one of the numbers (don't tell the other person) and then describe that number for them to guess. For example, if I chose the number '17' I could say: "This number has all straight lines, this number comes after 16". Try this a few times and take in turns to describe and guess the numbers.

Then I would like you to have a go at the following helicopter game, choose numbers 1-20 to start but if you find this easy then try with some even trickier numbers. [Helicopter Rescue Counting Game](#)

LITERACY, COMMUNICATION AND LANGUAGE

Reading: Just a reminder to make sure you are reading regularly with an adult, if you register and log into Oxford Owl there are ebooks that you can use on there. Here's the link: [Oxford Owl EBooks](#)

How many sounds?

Have a look at the words in the table below, copy those words out onto a sheet of paper and then I want you to see if you can count how many sounds are in each of them (grown ups, answers are at the bottom of the page). I want you to circle or put a dot under each sound and then write the number of the sounds at the end, for example: sock = s o ck – 3 sounds.

duck	bat	stamp
drip	it	looking

PHYSICAL ACTIVITY- Choose one

[Joe Wicks Work Out](#)

9am The Body Coach on You Tube or use an uploaded video

Watch the Sleeping Bunnies song and pretend to be a rabbit in time with the song. Pretend to sleep when they sleep and then wake up and hop hop hop!!

[Sleeping Bunnies](#)

THEMED LEARNING

Today I would like you to watch this story on YouTube - [The Worrysaurus](#). It is all about a little dinosaur who worries too much.

When you have watched the story I would like you to have a think; is there anything that makes you worried?

When we are worried about things it sometimes makes us feel a bit yucky inside and makes it difficult to concentrate.

When you have had a chat about the things that make you worried I would like you find a jar or a box or a tin and decorate it. This is going to be your 'Worry Box'. Whenever you feel worried or are unsure about something, I want you to write or draw you worries and put them inside the 'Worry Box'. That way, they can leave your head and be safe inside your box, allowing you to concentrate on all the nice things you can do instead.

INDEPENDENCE SKILL

This week I would like you to choose your own clothes. You need to think about all the things you need to wear each day, e.g. underwear, socks, trousers/skirts, t-shirts/jumpers. Look outside at the weather and decide if you need to dress for cooler or warmer weather.

Phonics answers
