MATHS

45 minutes

Warm up – Ask a grown up to choose 4/5 coins from their purse/wallet – add up those coins. Imagine that you had £1.00, what change would you receive? How about if you had £2.00?

Today we are looking at shape. So, using BBC Bitesize – primary – KS1- Maths – Shapes and Movement – 2D and 2D shapes. Have a look at the 11 class clips at the top (you don't have to watch all of them!) Then make sure you watch 'The 3D shape song.' Practise singing along. Then look around your house, how many different cubes, cuboids, spheres, cylinders and cones can you spot? Return to 2D and 3D shapes and watch the clip 'What are 3D shapes?' Complete the activity and the quiz.

ENGLISH

Reading 20 mins

For this reading activity you need visit the useful websites section of Year 1/2.
If you scroll down until you see the PDF 'A huge range of non-fiction books' click here and then click on 'start reading.'
I would like you to choose and read a book that interests you in the 'animals' section. Make sure you have a grown up nearby to help with any tricky words. The interactive book will read along with you if you wish.

Spelling 10 mins

Your spellings this week are; **camel, tunnel, towel, travel, jewel, label, tinsel, cancel, vowel, flannel.**
Practise writing your spellings multiple times in different coloured felt pens.
Can you put any of your words into a sentence?

Writing 30 mins

A little more grammar today. You are going to be looking at compound words. So you need to visit BBC Bitesize. Go into primary – KS1- English and scroll down prefixes and suffixes.
Watch the video clips and complete the activities.

Please write me a sentence that tells me what a prefix is with an example and what a suffix is with an example.
