

# HOME LEARNING

YEAR 2

ANIMALS

Date: 28.4.2020

MATHS

45 minutes

Warm up – Using the number 20 – I want you to make a poster showing how many ways that you can make this number, you can use addition, subtraction, multiplication, can you think of any division?

Eg.  $10 + 10 = 20$ ,  $30 - 10 = 20$ ,  $4 \times 5 = 20$

Visit BBC Bitesize, KS1 – Maths – scroll down to handling data and look at the videos clips stored in ‘How to collect Data’.

Go into your garden and do a tallychart for how many mini-beasts you can see, ants, spiders, ladybirds, flies etc... Then turn your tallychart into a block diagram, a pictogram or a table. You can do more than one!

## ENGLISH

### Reading 20 mins

On BBC iplayer listen and read along to The Gruffalo by Julia Donaldson.

You can just give these answers verbally you don't have to write them down.

Can you tell me words that are used in this story to describe The Gruffalo?

Can find some pairs of rhyming words?

Do you think that the mouse was clever? Why?

How is this story similar?

Different to Zog?

### Spelling 10 mins

Your spellings this week are; camel, tunnel, towel, travel, jewel, label, tinsel, cancel, vowel, flannel.

Play hangman with someone in your family using these words, add some year 1 and year 2 common exception words in there as well!

If you have the year ¾ common exception words as I know some of you do, why not add some of those in.

### Writing 30 mins

I would like you to focus on grammar today.

Using BBC bitesize, go onto KS1 and English and then scroll down to homophones.

Watch the three clips about the homophones; hear and here their, there and they're to, too and two

Then complete the activities underneath each clip. Write your own sentences using different homophones.

## PHYSICAL ACTIVITY- Choose one

30 minutes

### Joe Wicks Work Out

9am The Body Coach on You Tube or use a uploaded video.

Run around your back garden for 30 minutes.

Play catch or kick a football with someone in your family.

Use a skipping rope/hula hoop/trampoline if you have one.

Do some boxing into a pillow (ask a grown up to hold the pillow)

### Oti Mabuse Dance

11.30 Oti Mabuse Official on You Tube or use previous uploaded video

Go for a walk with your family.

Do some gardening.

Go for a ride on your bike

Try 'yoga for kids' on You Tube

## THEMED LEARNING

I would like you to visit BBC Bitesize. Go on to primary – KS1 – Year ½ - Science.

Today I would like you to watch the clip ‘What are amphibians?’

Create a fact file about amphibians, where do they live, how can you tell an animal is an amphibian?

## TEAM PLAYER SKILL

Help to make your bed.

## INDEPENDENCE SKILL

Practise tying you shoe laces.
