MATHS

45 minutes

Warm up – practise your 2,3,4,5,10 times tables – either asking your grown up to text you or by using themathsfactor.com

We are going to continue looking at measure this week. The focus today is money. So, I would like you to visit BBC Bitesize – K.S.1 – Maths – Measurement – Money – Coins that make 50p. Watch the short class clip. There lots of other class clips too that you can watch.

I would then like you to write down how many ways that you can make 67p, 93p, 85p, 71p, 55p, 39p, 47p – remember you can only use coin values – 1p, 2p, 5p, 10p, 20p, 50p.

If this is tricky focus on how many ways you can make 10p and how many ways you can make 20p.

ENGLISH

Reading

20 mins

On BBC iplayer listen and read along to Zog by Julia Donaldson.

Verbally answer you do not need to write answers down for this part.

What skills must Zog learn at dragon school?

Start each sentence with...

To become a successful dragon you must.....

How many things can you remember?

Zog's magic power is flying, what magic power would you like? Why?

Spelling

10 mins

Your spellings this week are; camel, tunnel, towel, travel, jewel, label, tinsel, cancel, vowel, flannel.

Write them on separate pieces of paper, read them out in a loud voice. Turn them over individually and see how many you can spell.

If this is tricky, choose one word and put all the letters on separate pieces of paper and then put the letters together to make the word.

Writing

30 mins

Imagine that you are Zog, can you write a diary for each of his days in the story.

Include the day – Monday, Tuesday..

Write in the past tense

Use I, we, me, my (remember you are pretending to be Zog)

Write about what happened that day

Write about how you (as Zog) felt
