

HOME LEARNING

YEAR 2

THE RAINFOREST

Date: 13.5.2020

MATHS

45 minutes

Warm up – Play guess my shape. Draw a 2D shape on a post-it note and stick it on your grown-up or siblings head. They have to ask you questions to guess the shape that you have stuck on their head. Don't let them see the shape until they have guessed correctly. Then swap over.

Today I would like you to practise your prepositional language;

Above, below, inside, outside, in, on, beneath, under, next to, left, right, on top of, behind.

Practise reading the above words with a grown up and make sure that you understand what they all mean. You will need some grown-ups help today. They need to hide an object in the house or outside and give you a series of cryptic clues to find the object. Each clue will take you to another clue until eventually the final clue takes you to the object. For example; the first clue is **underneath** the table. The second clue is **behind** the cushion, the third clue is **to the left** of the vase and so on until the final clue the 'treasure' is on **top of** the cupboard.

ENGLISH

Reading 20 mins

Choose a book from the oxford owl reading list. (On the Useful Websites list).

You do have to register but it is completely free.

Spelling 10 mins

Your spellings this week are; thankful, cheerful, colourful, thoughtful, wonderful, hopeful, painful, cheerful, delightful, dreadful.

Play hangman with a grown-up or sibling in your household.

Don't forget to add some year 1 and year 2 common exception words too.

Writing 30 mins

Listen to the story 'Slowly, slowly, slowly' said the sloth by Eric Carle.

Make a list of all the noises that you can hear.

Draw a sloth and write around his picture all the words that he uses to describe himself.

Use a sock to make a sloth sock puppet, retell the story using the sloth sock puppet.

PHYSICAL ACTIVITY- Choose one

30 minutes

Joe Wicks Work Out

9am The Body Coach on You Tube or use a uploaded video.

Run around your back garden for 30 minutes.

Play catch or kick a football with someone in your family.

Use a skipping rope/hula hoop/trampoline if you have one.

Do some boxing into a pillow (ask a grown up to hold the pillow)

Oti Mabuse Dance

11.30 Oti Mabuse Official on You Tube or use previous uploaded video

Go for a walk with your family.

Do some gardening.

Go for a ride on your bike

Try 'yoga for kids' on You Tube

THEMED LEARNING

Lots of our food comes from the rain forest. Use the internet (with a grown up) research the foods that we get from the rainforest (chocolate is one of them!). Have a look in your kitchen cupboards and fridge, how many foods have you got that came from the rainforest originally? Make a poster to show how many different foods come from the rain forest.

The Rainforest Alliance website is just one of the websites that you can use.

TEAM PLAYER SKILL

To make your bed all by yourself.

INDEPENDENCE SKILL

Brush and style your own hair today.
