MATHS- Multiplication and Division

45 minutes

Warm up- Using the internet visit 'mathsfactor.com' – click onto games and fun and then click onto games centres. There are lots of games to choose from, try an area that you find tricky! Take advantage of this website as its only free until 5<sup>th</sup> July.

Introduce the division symbol ÷

Use objects from around the home to carry out practical division numbers sentences. Write the number sentences in your exercise books and the answer.

$10 \div 2 =$        $8 \div 2 =$        $14 \div 2 =$        $18 \div 2 =$        $20 \div 2 =$        $4 \div 2 =$        $16 \div 2 =$

If your child is finding these okay, move on to dividing by 5 and even 10. If they are finding it tricky keep practising divide by 2.

$15 \div 5 =$        $10 \div 5 =$        $20 \div 5 =$        $25 \div 5 =$

$30 \div 10 =$        $50 \div 10 =$        $20 \div 10 =$        $40 \div 10 =$

OR

I have attached several pdf's that are linked to multiplication and division problem solving, have a go at as many as you like! These are aimed more at Year 2 children but Year 1 are more than welcome to have a go.
