

# HOME LEARNING

YEAR 2

FAMOUS AND SIGNIFICANT PEOPLE

Date: 20.5.2020

MATHS

45 minutes

Warm up – Use [themathsfactor.com](http://themathsfactor.com) to practise your times tables, are you getting faster?

Today we are going to look at shapes in a pattern.

What are the shapes called in this pattern?

What shape would be next in this pattern?

What shapes would be 10<sup>th</sup> in this pattern? (tip you might want to draw the pattern until you get to the 10<sup>th</sup> shape)

How many different shape patterns can you make just using this shape?  (tip you can turn the shape around when drawing it in your patterns)

Can you create your own shape patterns, with 2,3 even 4 shapes? Remember if you are using colour, the colours must remain the same too.

## ENGLISH

Reading

20 mins

Use [DK Findout! Website](http://DKFindout!Website) to read and find out more about Neil Armstrong, the journey to the moon, Apollo spacecraft and Apollo spacesuits.

Spelling

10 mins

Your spellings this week are; treatment, amazement, movement, enjoyment, attachment, judgement, entertainment, government, replacement, punishment.

Play hangman with someone in your household using your spellings and some of your common exception words.

Writing

30 mins

Using the internet type in 'BBC Bitesize Significant individuals KS1' then click on 'Who was Neil Armstrong?' Watch the two video clips and have a go at the quiz at the end.

Imagine that you were Neil Armstrong, write a diary extract for the day that you visited the moon. What did you see? Who were you with? How did you feel?

## PHYSICAL ACTIVITY- Choose one

30 minutes

### [Joe Wicks Work Out](#)

9am The Body Coach on You Tube or use a uploaded video.

Run around your back garden for 30 minutes.

Play catch or kick a football with someone in your family.

Use a skipping rope/hula hoop/trampoline if you have one.

Do some boxing into a pillow (ask a grown up to hold the pillow)

### [Oti Mabuse Dance](#)

11.30 Oti Mabuse Official on You Tube or use previous uploaded video

Go for a walk with your family.

Do some gardening.

Go for a ride on your bike

Try 'yoga for kids' on You Tube

## THEMED LEARNING

Why not have a space themed lunch, think about foods that you could include and how you could make them look space themed. Here are some ideas....

### **TEAM PLAYER SKILL**

Help to dry up after lunch or dinner.

### **INDEPENDENCE SKILL**

Get yourself dressed without being asked, choose you own outfit.
