

HOME LEARNING

YEAR 2

FAMOUS AND SIGNIFICANT PEOPLE

Date: 18.5.2020

MATHS

45 minutes

Warm up – Practise counting in 2s and 5s – use a soft object to play catch with a partner, each time you catch you say the next multiple.

Write out your number bond to 10 and 20 families.

$3 + 7 = 10$

$16 + 4 = 20$

$7 + 3 = 10$

$4 + 16 = 20$

$10 - 3 = 7$

$20 - 4 = 16$

$10 - 7 = 3$

$20 - 16 = 4$

Can you use your number bonds to 10 to help you to write number bonds to 100.

$30 + 70 = 100$

$70 + 30 = 100$

$100 - 30 = 70$

$100 - 70 = 30$

ENGLISH

Reading

20 mins

Read the Mary Anning Reading card (see attached PDF) and answer the questions. If you have a printer you can print it off to answer the questions but you don't have to.

Spelling

10 mins

Your spellings this week are; treatment, amazement, movement, enjoyment, attachment, judgement, entertainment, government, replacement, punishment.

Practise reading these words with an adult, make sure that you know what they mean. Write these words out twice on pieces of paper and turn them over. Take turns with a partner to find matching pairs of words.

Writing

30 mins

On the internet type in 'BBC Bitesize significant people KS1.' Then you need to click on to 'Who was Mary Anning?' Watch the short video clip and read the facts below.

Write down three facts that you have learnt about **Mary Anning**.

PHYSICAL ACTIVITY- Choose one

30 minutes

Joe Wicks Work Out

9am The Body Coach on You Tube or use a uploaded video.

Run around your back garden for 30 minutes.

Play catch or kick a football with someone in your family.

Use a skipping rope/hula hoop/trampoline if you have one.

Do some boxing into a pillow (ask a grown up to hold the pillow)

Oti Mabuse Dance

11.30 Oti Mabuse Official on You Tube or use previous uploaded video

Go for a walk with your family.

Do some gardening.

Go for a ride on your bike

Try 'yoga for kids' on You Tube

THEMED LEARNING

Make Dinosaur Fossils using Salt Dough

You can pretend that you are Mary Anning! To make fossils you will need; 1 cup of salt, 2 cups of flour, ¾ cup of water, small plastic dinosaurs/toys. (You can just use old playdoh that you no longer want if you don't want to make salt dough).

Instructions

1. Combine the salt, flour and water in a bowl and mix well until a soft dough forms.

2. When the dough forms pinch off small fistfuls to shape into flattened rounds similar to the shape and size of a cookie. Press your plastic toy/dinosaur(if you have one) into the salt dough, press hard and evenly to make sure you make a clear mark in the salt dough.
3. Bake at 200 degrees until your fossil is dry. The amount of cooking time needed depends on the thickness of your fossil. May take 45-60 minutes, maybe a little longer.

While your fossil is cooking, why not think about these questions....

What are fossils?

How are fossils made?

Why are dinosaurs not alive today?

Could dinosaurs swim? Fly?

Why do you think so many people are interested in dinosaurs?

TEAM PLAYER SKILL

Help to lay the table for lunch and dinner.

INDEPENDENCE SKILL

To tidy away your toys yourself.
