

Meet the Governors

Welcome

Here you will find information about the Governing Board of Thorns Primary School.

We are a group of 9 people made up of School staff, parents and others with a keen passion to ensure that the children of Thorns Primary receive the best education possible.

Governors have 3 main roles.

- To ensure clarity of vision, ethos and strategic direction
- To hold the Headteacher to account for the education performance of the school and its pupils, and the performance management of the staff
- To oversee the financial performance of the school and make sure that the money is well spent

DfE (Jan 2017) *Governance Handbook*

As a Governing Board, we have a range of expertise to ensure that these 3 functions are fulfilled. We meet regularly throughout the academic year as a Governing Board in order to carry out these functions.

We meet as a Governing Board once each term when we all discuss, question and challenge the leadership of the School. A Strategic Committee meets twice each term where the focus is on raising standards. A Resources Committee meets once a term.

We also attend Governor Days which are held regularly throughout the academic year. This is when we visit School to carry out first-hand monitoring. We have the chance to talk to the children and to experience life at Thorns Primary for ourselves. We also visit School at other times.

Governing Board List 2018/2019

Name and Category	Date Appointed	Appointing Body	Term Ends
