

# HOME LEARNING

YEAR 6

WEEK  
10

THEME: THE RAINFOREST

Date: 17.06.20

MATHS

45 minutes

We're going to try some problem solving today. There won't be only one answer to the problems but I'll put up my solutions tomorrow.

Try [Strike it Out](#) as a warm up. You have to use your addition and subtraction skills and try and find a strategy to be the winner. You can play against another member of the family and try and be the winner.

[Finding Fifteen](#) is a problem that has more than one solution.

Have a go at [Sealed Solution](#). Remember, there will be cards in the other envelopes. This isn't as straightforward as it first looks.
