

HOME LEARNING

Reception

WEEK 12

THEME: ANIMALS

Date: 01.07.2020

MATHS

I would like us to continue learning about coins today, here is an online game which will help you practise your knowledge of coins: [Topmarks- Coin Games](#). Make sure you select the British flag so that you are using British coins. There are a number of options for you to choose from, you could begin by sorting the coins and then go on to try ordering and then counting them.

LITERACY, COMMUNICATION AND LANGUAGE

Reading: Just a reminder to make sure you are reading regularly with an adult, if you register and log into Oxford Owl there are ebooks that you can use on there. Here's the link: [Oxford Owl EBooks](#)

Yesterday we started to look at rhyming words and practised by putting them together, to refresh your memory, can you think of some words that rhyme? The story 'The Lion Inside' is full of rhyming words, your task for today is to re-watch/listen to the story (here is the link: [The Lion Inside](#)) and while you are listening try to identify the words that rhyme. Once you think you have heard/seen two rhyming words then I want you to pause the story and write them down next to one another. Try to find and write as many rhyming pairs as you can.

Physical

Joe Wick's Work Out

9am The Body Coach on You Tube or use an uploaded video

[Boogie Beebies - Monkey Dance](#)

Try and act like a monkey today by following this super fun monkey dance!

THEMED LEARNING

In the story, the Lion is described as the 'Head of the pack', lions are also often referred to as the 'king of the jungle'. Why do you think this is?

Some animals like the Lion eat meat, these animals are called **carnivores**, other animals such as the mouse, like to eat other things like leaves, berries and nuts, these animals are called **herbivores**. Try to remember these two words and what they mean. Here is a video which describes the two in a little more detail <https://www.bbc.co.uk/bitesize/clips/zwfd2p3>.

In the video clip there were a lot of woodland animals shown. We have been learning a lot about wild animals and animals that live in the jungle and savannah. By doing a little research can you make a list of which wild animals are 'Herbivores' and which wild animals are 'Carnivores'. I have created a table below which you might like to use, you can either write or draw the animal in the correct column.

INDEPENDENCE SKILL

This week I would like you to try and make your bed every morning. By making your bed every day you will have completed something productive before you even get dressed. You might need an adult to show you how to do it the first time, but making your bed means straightening out your duvet and making sure it's tidy and putting your pillows back in place and giving them a fluff. If you have any additional pillows or teddies that should be on your bed then make sure they are in place and looking tidy too!

Carvivores
(meat eaters)

Herbivores
(plant eaters)
