

HOME LEARNING

Reception

WEEK 4

THEME: IN THE GARDEN

Date: 29.04.2020

MATHS

Today I would like you to use what you have learnt about halving to solve the following word problems:

1. Mrs Homer made 6 cupcakes and ate half of them – how many are left? (You can draw the cupcakes that Mrs Homer made and then cross out half of them to reveal how many were left.)
2. Draw 8 bottles of paint on our classroom shelf, colour half of them in blue. How many are blue?
3. There are 8 cars on the school car park, at lunchtime half of them drive away, how many are left? (you could draw the cars and cross out half or if you toy cars you could use these to solve this problem.)
4. There are 10 footballers on a field and half of them are wearing red (draw 10 shirts and colour half of them in red).

LITERACY, COMMUNICATION AND LANGUAGE

Reading: Just a reminder to make sure you are reading regularly with an adult, if you register and log into Oxford Owl there are ebooks that you can use on there. Here's the link: [Oxford Owl EBooks](#)

Phonics: For your phonics activity today I would like you to go on a scavenger hunt. What can you find around the house that have the sounds ch, sh, oo (as in moon) or ai. Collect as many as you can and then have a go at writing them using your phonic knowledge. Which sound did you find the most objects for?

THEMED LEARNING

Today I would like you to use whatever fruits and vegetables you have in the house to create some insects. Below are some examples of how you can turn fruit and vegetables into ladybirds, butterflies and all sorts of minibeasts. You will need an adult to help you with any cutting and chopping. Once you have assembled your fruit insects I would like you to try each fruit and vegetable and say whether you did or did not like it and why.

INDEPENDENCE SKILL

This week while it is wet and rainy I would like you to practise zipping up your coat by yourself.
